

# Mirihi Island Resort

## Night Snorkeling

As interesting as the reef is during the day, at night you can see it in a different light. Fish which are only active in the dark, corals starting to feed, colors which you'll not be able to see during the day.

Dear Guests,

---

Explore the beautiful Mirihi house reef by snorkeling at night!  
You will be able to observe sleeping fish, to see different kind of fish and the coral seem to be more colorful.  
Don't miss this adventurous experience, it is just another world!
