FESTIVITIES
2021-2022

Happy Holidays from the Mirihi Team

We have put together a wonderful Christmas and New Year's program, so you can indulge in everything magical that the Maldives brings along.

When we think of the festive season, perhaps conventional images spring to mind – wintry scenes with reindeer and sleigh bells, robins and snowmen. But we believe we can keep these much loved seasonal traditions while making the most out of our beautiful setting – and appealing warm climate…
And that you can snorkel at sunrise or enjoy a barefoot stroll through Mirihi's fine white sands – and then still enjoy "all the trimmings" – followed, perhaps, by stargazing or a movie night on the beach.

Join us for the celebrations - Mirihi Style.

Maldives is not just admired for its beauty but also it is known for its fabulous dances and music. Learn more about the most popular forms of folk music and dance that is found in the inhabited islands of the Maldives.

Cultural Music & Dance Performance

Bodu Beru literally means 'big drum' in Dhivehi.
Having strong roots in Eastern Africa, the music has survived modern influences and is still widely played in Maldives for festive occasions.

The Bodu Beru group usually consists of 15 to 20 people which include several drummers and a lead singer. The songs are mainly talking about romance or heroism. As the music reaches its summit, one or two dancers maintain the wild beat with their active movements.

During our cultural performance you are more than welcome to join our Cultural Music & Dance performance.
